Billy's Beach - St Francis Bay

19 December 2021 at 15:04 · 🌐

🌿 Covid Regulation Update 🌿

In light of the "new Covid variant" discovery, we are working alongside the municipality to provide a safe event for our community, staff, and festival goers.

All attendees will have to be vaccinated. Single jab is satisfactory. Government & local municipality can change regulations at any time, so our Covid entry policy is subject to change without notice. We will do our best to keep everyone informed should anything change.

See you on the beach 🍹.
