

BM Foods Covid Vaccination Policy

Dear BM Foods Customers, Suppliers, and Visitors

In line with our parent company's Covid-19 Vaccination policy we'd like to inform you of the following:

As of 10 January 2022, all visitors, suppliers, customers, and service providers, including temporary workers and independent contractors accessing BM Foods premises are required to be fully vaccinated.

Proof of vaccination must be shown upon entry to get admission. All non-vaccinated individuals must produce a negative covid-19 PCR or Ag test that is less than 72 hours old, at the time of entry. In this case, entry is still at management discretion.

Thank you in advance for your cooperation and we wish you all good health and safety.

Sincerely,

Costas Vayanos

Group CEO

BM Food Manufacturers
