ANNOUNCEMENT REGARDING SPECTATORS AT IPT 2020NE

Based on the recent decision by the government to amend the lockdown level to Covid-19 Alert Level 1, and the legislation allowing for spectators to attend sporting events, including school sporting events, Schools Water Polo South Africa (SWPSA) and the Local Organising Committee for IPT 2020NE have decided to allow spectators to attend the event.

Spectators will be required to produce proof that they have been fully vaccinated and show their ID documents before being allowed access to the venues. The proof of vaccination must confirm that the vaccination was administered at least 3 weeks prior to the event.

As venues have limited capacity in terms of Covid regulations, the number of spectators and players will be limited to 50% of each venue's maximum capacity. Venue co-ordinators will manage spectator numbers and may require spectators to vacate venues after games to free up capacity for spectators for following games.

Spectators will be required to comply with all other Covid protocols such as wearing masks, sanitising and social distancing, and will be required to remain in specific areas demarcated for spectators while at venues.

Warm Regards,

Anton Botha
Chairman
