

Did You Know?

The Basic Education Laws Amendment (BELA) Bill B2-2022 proposes:

1. **Regulation of ALL schools** (including Home Education, cottage schools etc) **BUT does not provide detail on those regulations** and, on what basis they will take effect.
2. A regulatory back door that could provide for **mandating medical treatment (including vaccination)**, school **admissions** policy, **language of instruction** and much more.
3. **Criminalizing parents and sending them to prison for 12 months** for **minor transgressions** such as registering their children too late!
4. Teachers be forced to enable **12 year old girls to have abortions without their parents knowledge** or obtaining their **consent**. **Teachers** would also face **prison if they do not comply** with the state!
5. **Limiting and controlling** the powers and functions of **school governing bodies** that have to run the schools due to the clear **failure of government** to do so themselves!
6. Implementation of **one-size-fits-all** education which means that **ALL schools** will have to **follow the same policies** including **Home Education** and that may include "**COMPREHENSIVE SEXUAL EDUCATION**" and a **PROHIBITION** of **RELIGIOUS INSTRUCTION!**
